Welcome to Community Running!

We are a fun running club in the Boston-metro area. We offer three coached workouts each week and year round, and they are geared for everybody--regardless of age, experience, or ability. Our core membership is made up of "middle-to-back-of-the-pack" runners who run for fun, fitness, and often for a good cause.

We are accessible on the MIT campus track facilities, with ample free parking. We utilize the MIT indoor track during the winter. [Learn more...](#)

Workouts

We have three weekly workouts:

Speed Intervals

Track workout. We divide into two groups according to speed. We move indoors during the winter.

Tempo

Tempo runs by the Hatch Shell (Boston Esplanade). We move indoors during the winter.

Long Run

Anywhere between 3 to 20 miles by the Charles River. Members coordinate to prepare water stops.

Resources

We have a great stretching guide, information about injuries, links to other useful sites, and maps of running routes around the Boston area--including our usual warm-up loop around MIT and our long run along the Charles River. Check out the [resources](#) section.
